## FUNDRAISER!

We will be selling The Dance Complex Fan Gear for our families, friends & community to purchase and wear. Students will receive an order form with available items, prices and due dates on it to take home & get orders placed. Every shirt sold will receive a \$5 credit to your dancers account to be used for any studio related expenses. This fundraiser is encouraged but not mandatory.

## Desk Hours

As many of you know our desk staff hours vary from week to week. This is something we are working towards improving on. We appreciate your grace as we determine a solution. If you need anything at all & there is no one in the office to assist, please send us an email so we can ensure we are assisting you as promptly as we can.
